Psychic Force: Shinseisha doujin anthology
Volume 1, chapter 1
Fluffy Fluffy Bunny-san

Fanart from the mid 90s used without permission

Rant: *I know this isn't the best way to introduce these characters, with a weird gag chapter, but it is after all chapter 1! Plus it was nice and easy to translate, and you get some very sexy colour illustrations to start things off.*

Please do contact me if you know who drew it!
